

Ingredients

- 3 cups Pop's Coffee.
Costa Rican cold brew
- 1/2 cup creamer

Cafe Au Lait Popsicle

Directions

- Mix together the cold brew coffee and creamer in 4 cup measuring cup until combined.
- Pour the cold brew mixture into popsicle mold until it almost reaches the top.
- Place lid on top of mold then cover with tin foil and with knife poke slits in the opening of molds where the stick goes in.
- Place popsicle sticks in the mold making sure at least 1" of the stick remains over the top.
- Place in freezer for at least 4 hours but ideally 8 hours to overnight to set up.
- To remove from mold run base of molds under warm water for 30-60 seconds then remove tinfoil and lid and gently pull popsicles out.
