

Ingredients

- 1 Lemon
- 1 cup Water
- 1 cup Sugar
- 8oz brewed Pop's Espresso
- 1/2 cup Milk

Lemon Latte

Directions

- Remove and julienne the lemon rind. Put the rind into a saucepan with the water and sugar, bring to a boil for 8-9 min. (lemon syrup) Cool and store in the refrigerator.
- Steam the milk (heat without boiling).
- Add 2 tablespoons of the lemon syrup to the warm milk and emulsify with a blender or whisk.
- Pour the espresso into a mug, add the milk mixture and ENJOY!
